HELLO SUNSHINE

The first generation Mazda MX-5 was known for its stylish, convention defying approach...and the new MX-5 Kuro – meaning Black in Japanese – is no exception. Going back to its roots MX-5 Kuro embodies everything that the original MX-5 was famous for; spirited, stylish and fun! The Kuro features stylish exterior graphics that flow around the sculptured body, 17" dark gunmetal alloys, Kuro wing mirrors and a stylish Kuro roof – available in soft-top or retractable hard-top. Incorporating an aggressive diffuser-style sports rear bumper and larger exhaust trim, that release a sporty engine tone by either the 1.8 or 2.0 engines as the Kuro comes alive. The MX-5 Kuro boasts perfect 50:50 weight distribution, precision steering and power sent to the rear wheels. Everything a sports car should have.

GOODBYE BOREDOM

Sculptured stone and black heated leather seats perfectly connect you to the car – a connection that is completed as you wrap your hands around the premium leather steering wheel. The racy sports car feel is echoed throughout the cabin with unique floor mats, incorporating race logos, and a revised dark silver dashboard with red accents, all complemented by the red stitching on the sports seats. Come out of the light and into the Kuro; Kuro really is the new Black. Express your spirit.
